## SCAVENGER HUNT

Here at Heritage, we're in a weekend message series called DOORS, talking about the importance of our choices. So, we thought it would be fun to provide a game for you and your family to play together. Make the right choices, and you'll end up with a great prize.

### ***DIRECTIONS FOR PLAY:***

**STEP ONE:** Pick a night of the week.

**STEP TWO:** Pack up the family or friends, because this is a car scavenger hunt.

**STEP THREE:** Get bundled up; you might be going outside.

**STEP FOUR:** Set a 60 minute timer.

**STEP FIVE:** Get started, using the next page. Mark down your choices as you go.

**STEP SIX:** After 60 minutes, tally up your total points.

**STEP SEVEN:** Let your kid(s) pick your final prize, which you'll find on the last page.!
