

HEY GOD, I HAVE A QUESTION

Can I Believe in God and Science?

THE MOST IMPORTANT THING ABOUT FAITH IS THE OBJECT

19 They know the truth about God **because he has made it obvious** to them. 20 For ever since the world was created, people have seen the earth and sky. **Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature.** So they have no excuse for not knowing God. **Romans 1:19-20 (NLT)**

LOOK UP at the Cosmos (*The Cosmological Argument*)

For everything, **absolutely everything**, above and below, visible and invisible, ...everything got started in him and finds its purpose in him. He was there before any of it came into existence and holds it all together right up to this moment. **Colossians 1:16 (MSG)**

LOOK AROUND at the World (*The Anthropic Argument*)

In the beginning you laid the **foundations of the earth**, and the heavens are the work of your hands.
Psalms 102:25 (NIV)

LOOK IN at our Cellular Makeup (*The Cellular Argument*)

For you created my inmost being; **you knit me together** in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well...

Your eyes saw my **unformed body**; all the days ordained for me were written in your book before one of them came to be. How precious to me are your thoughts, God! How vast is the sum of them! **Psalms 139:13-14, 16-17 (NIV)**

In the beginning God created the heavens and the earth.
Genesis 1:1 (NIV)
