

Go Deeper This Week (Week One)

THINK & DO:

Throughout the week, think about one shift you can make in your daily life that allows you to live more like God and less like the world. To keep you accountable, text someone in your group and share your thoughts so you can make it happen!

Go Deeper This Week (Week Two)

PRAY:

Heavenly Father, let me step into grace as I become more aware of how my tongue can speak life or death. Allow me the strength and courage to apologize and make things right with anyone I have hurt in the past. Allow me to forgive anyone who has hurt me by their thoughts and words and heal my heart.. Lord, I thank you for your forgiveness and your gentle reminder that my voice is to reflect your love, patience, kindness and grace. Let me step into that this week and remind me to speak LIFE! In your loving name, AMEN!

Go Deeper This Week (Week Three)

THINK & DO:

Write down one person or group of people you can pause and serve this week. Start to see them through the lens of Jesus this week. Report back to your small group and let them know what you did, and how you felt after!

Go Deeper This Week (Week Four)

JOURNAL:

What does “humbling yourself before the Lord” mean to you?
How can you make this a habit in your daily life?
What shifts and moves do you need to make in order to humble yourself and truly submit everything to Him?
